

Fellowship Deliverables Agreement

This Agreement documents the mutual understanding between the applicant and the proposed mentor regarding the deliverables required for successful completion of the Haberman Clinical Fellowship in Vasculitis Excellence, sponsored by the Vasculitis Foundation (VF). The mentor and applicant will jointly determine and record the specific figures below prior to signing. By signing, the applicant and mentor confirm their shared commitment to the requirements outlined in this Agreement for the duration of the fellowship year.

Fellowship Year:

Fellowship Deliverables

The applicant and mentor agree that, during the fellowship year, the applicant will:

1. **Clinic Requirements.** Complete a minimum of _____ half-day vasculitis clinic sessions per week, under the direct supervision of the mentor or designee.
2. **Inpatient Consult Weeks.** Complete a minimum of _____ week(s) of inpatient vasculitis consult service during the fellowship year.
3. **Curriculum.** Complete the fellowship curriculum and program requirements described in the Description, Goals, and Objectives document.
4. **Case Conference Presentations.** Present a minimum of _____ case(s) at Case Conference at the training institution.
5. **Grand Rounds.** Present a minimum of _____ time(s) at local Grand Rounds.
6. **Scholarly Deliverable.** Complete one case report or review manuscript, co-authored with the mentor.
7. **ACGME Milestones.** Submit ACGME Milestones to the Vasculitis Foundation on a quarterly basis.

The mentor agrees to provide the clinical supervision, teaching, and mentorship necessary to support the applicant in meeting the deliverables above, and to notify the Vasculitis Foundation of any material change in the applicant's ability to meet them.
